

FOR THE **LOVE** OF CARS.

Car Wrapping + Protection Portfolio

Your love of cars drives the passion and commitment you have for vehicle customization and protection. From Supreme Wrapping™ Film color change car wraps, to digitally printable films that allow for custom vehicle designs and automotive window films and paint protection films that protect you and your vehicle from the things that can't be seen, Avery Dennison® has you covered. Confidently show off your unique personality, passion and your love of cars on the road ahead with Avery Dennison's car wrapping and protection portfolio.

Brilliant Color

Supreme Wrapping™ Film

Avery Dennison Supreme Wrapping Film features over 120 different colors, textures and finishes including gloss, satin, matte, metallic, chrome, and rugged textures that can match any style and personal expression. When tastes change, and as our available colors expand, our Easy Apply™ RS adhesive technology offers long-term removability of the film and keeps your car's paint underneath unblemished and ready for your next inspired color change.

Digital Wrapping Film

Transform your commercial or personal vehicle and make it stand out with custom designs using our MPI 1105 digital wrapping film and overlaminates. Use your vehicle as a creative canvas and bring your vision to a larger-than-life size that shows off your brand and unique style. Striking and consistent colors that 'pop' with an ability to conform easily to rivets and complex vehicle curves make it the perfect choice when you are looking to customize any vehicle.

FOR THE **LOVE** OF CARS.

Brilliant Style

Automotive Window Film

Block over 99% of UV rays and unwanted heat gain—and even increase the range of your electric vehicle battery—with Avery Dennison Automotive Window Films. Choose from a variety of fade-free ceramic and other high performance window film options to give vehicles the custom appearance that fits your style while improving privacy and your overall driving experience.

Give your vehicles a custom appearance while improving comfort for passengers, protecting vehicle interiors and blocking harmful UV rays:

- **NR Nano Ceramic IR** - Premium nano ceramic protection from damaging infrared heat that delivers zero interference of electronic equipment
- **NR Pro** - Engineered with a fusion of nanoparticles to ensure high performance, durability and long-lasting color
- **NR** - Specially designed for keeping car interiors safer from harmful sunlight with its excellent UV block protection
- **Shield IR 80** - Virtually invisible film, utilizes nanotechnology to reject the sun's heat without changing the appearance of your vehicle
- **HP Pro** - A high-performance hybrid metal-dye film offering exceptional style and solar performance in a non-fading charcoal color tone

Brilliant Performance

Paint Protection Film

Protect your factory paint color with an Avery Dennison paint protection film. Developed with three essential layers, each Avery Dennison paint protection film is guaranteed to preserve perfect paintwork against daily conditions like stone chips, gravel, scratches, insects, bird droppings and road debris.

Supreme Defense™ Gloss - Next-generation gloss clear paint protection film repels dirt and water with a premium hydrophobic topcoat and includes a trusted 10-year durability assurance

Supreme Defense™ Matte - Dynamic paint protection film that protects vehicle paint against stains and road debris with a sleek and unique head-turning matte finish

neo™ noir - An innovative ultra high gloss black hybrid film designed to restyle and protect with a stunning paint like finish

Count on Avery Dennison
