

Avery Dennison® SC950 Cut Vinyl Film

Unlock the Power of Ultra-Conformability

When you need graphics that can tackle difficult shapes and showcase eye-catching designs, count on Avery Dennison SC950 Cast Cut Vinyl Films. Our premium range of ultra-conformable films delivers unparalleled indoor and outdoor durability and performance on even the most challenging application substrates. SC950 films effortlessly adhere to corrugations, rivets, deep channels, and concave surfaces, ensuring flawless graphics every time.

With over 100 standard colors, the possibilities are endless. Need a specific color? Our custom color match service has you covered, ensuring projects are perfectly tailored to your corporate identity.

Product Information

Benefits

- Industry-leading weeding
- Exceptional performance when used in 3D vehicle and architectural applications
- Efficient and precise conversion on commercial and craft plotters
- Outstanding durability and color fastness

Key Features

- High-Gloss Finish
- Superior conformability in deep channels, over rivets and extreme curves
- Excellent UV, temperature, humidity and salt spray performance
- Custom color matching available

Application Areas

- Indoor signage
- Outdoor signage
- Fleet
- Marine
- Vehicles
- Emergency vehicles
- Mass transit, light rail and buses
