

Avery Dennison Supreme™ PPF X5

Next Generation Paint Protection

Best in class protection with revolutionary technology

Avery Dennison Supreme™ PPF X5 is our most advanced next-generation paint protection film, providing ultimate performance and extreme protection, whilst enhancing the vehicle's finish.

Utilizing the most advanced Xproof Plus™ top-coating technology, this film keeps your vehicle looking brand-new for longer by protecting it from rock chips, insects, stones and harsh weather.

Ultimate stain resistance

Next generation XProof Plus™ top-coating offers extreme stain resistance from fall out, droppings and road grime

Invisible enhanced finish

Ultra gloss, high transparency and non yellowing film to maintain the car's aesthetic looks and resale value

Effortless self healing and cleaning

Stone chips, scratches and scuff marks become a thing of the past with the self-healing top coating with minimal heat from sun, engine or other source. Water and dirt repellent top-coating enables easy cleaning and low maintenance

Perfectly balanced installation

With the right amount of conformability and adhesive tack, you get the best installation performance

Warranty you can trust

Outstanding durability and weathering protection with 7 year warranty
