

Avery Dennison Supreme™ PPF Xtreme Gloss

Extreme Paint Protection.
Ultimate Performance.
Now in a 1.83m width.

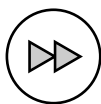

Expanded Coverage, Invisible Shield

Introducing the new Avery Dennison Supreme™ PPF Xtreme XL Gloss, now available in an expanded 1.83-metre width. This wider format is designed to deliver seamless coverage for larger vehicle bonnets found on SUVs, trucks, and wide cars. By eliminating the need for joins or visible lines, the XL size ensures a flawless, uninterrupted finish, offering enhanced aesthetics and a virtually invisible shield that elevates your vehicle's appearance.

Supreme protection with effortless application

Supreme PPF Xtreme Gloss is crafted with advanced TPU technology to protect and preserve your vehicle's original paint against daily wear and tear. Not only does it maintain the paint's integrity, but it also enhances gloss levels for a showroom-quality finish. With Avery Dennison's proprietary RAPID EDGE™ technology, this premium film is easy to apply, saving time while delivering exceptional performance and long-lasting durability.

RAPID EDGE™ technology

Significantly increase application speed, and eliminate the need for additional chemicals – with RAPID EDGE, just use warm water to lock down edges.

Lifetime* warranty

Designed and tested for our environment, Supreme PPF Xtreme is in it for the long haul and comes with a Lifetime* warranty.

Protect and preserve your vehicle's value

Ultra-gloss, virtually invisible, and non-yellowing, Supreme PPF Xtreme protects and preserves a vehicle's showroom-quality finish by helping prevent wear and tear damage to the original factory paint.

Effortless self healing

Enhanced self-healing enables minor scratches and scuff marks to resolve with ambient heat.

Advanced stain resistance

Highly hydrophobic, Supreme PPF Xtreme Gloss provides easier cleaning and greater protection from environmental contaminants, including insect strikes, bird droppings, and general fallout.
