Avery Dennison Supreme™ PPF Xtreme Satin

Extreme Paint Protection
Ultimate Style

Revolutionary, next generation technology

Introducing Supreme™ PPF Xtreme Satin, the ultimate solution for protecting satin, matte, magno and frozen OEM vehicle finishes.

Built on the same revolutionary platform as our Supreme PPF Xtreme Gloss, Xtreme Satin features our *RAPID EDGE™* technology, with the same unparalleled application performance; wrapping around edges and sticking down fast, helping you to reduce install times.

RAPID EDGE™ technology

Significantly increase application speed, and eliminate the need for additional chemicals – with Supreme PPF Xtreme Satin, just use warm water to lock down edges.

10 year warranty

Designed and tested for our extreme environment, Supreme PPF Xtreme Satin is in it for the long haul and comes with a 10 year limited warranty across all zones.

Experience the luxury of satin

Help protect and preserve your vehicle's stylish satin matte finish, and your vehicle's value, with our virtually invisible film, designed to match OEM finishes. Or for a change of style transform your vehicle's gloss paint to a uniquely satin finish.

Effortless self healing

Enhanced self-healing enables minor scratches and scuff marks to resolve with ambient heat.

Advanced stain resistance

Highly hydrophobic, virtually invisible and non-yellowing, Xtreme Satin enables easier cleaning and greater protection from environmental contaminants such as insect strikes, bird droppings and general fallout.

Roll width x length: 1.524 x 15m
