

Avery Dennison Karu Architectural Surface Finishes

Create. Preserve. Decorate

Karu Architectural Surface Finishes

Transform interiors
with minimal downtime

Give any space an instant upgrade, without the hassle. Karu is a versatile range of premium architectural finishes, expertly crafted for seamless application on furniture, doors, walls, and ceilings across residential and commercial projects.

Effortlessly revitalise interiors, control budgets, and achieve authentic, nature-inspired aesthetics, all while keeping operations running and downtime to a minimum.

Key features and benefits

Authentic, Nature-Like Finishes

Achieve the look and feel of timber, fabric, or metal with lightweight, low-maintenance surfaces that rival natural materials in detail and quality.

3-Year Warranty

Every finish is backed by a three-year guarantee for lasting performance against wear, fading, and peeling.

Effortless Application

Flexible and adaptable, Karu finishes install seamlessly over existing doors, walls, and fixtures, ideal for both new builds and refurbishments.

Sustainable & Safe Choice

By upgrading existing structures, Karu reduces waste and supports lower-carbon renovations, aligning with responsible design practices.

Reduced Downtime

Fast, quiet installation minimises disruption and avoids the need for major demolition, keeping commercial and residential spaces operational.

Artisan Wood

Experience the organic warmth of natural timber with a premium finish.
