Avery Dennison PPF Squeegee Pro

PPF Squeegee Pro Rigid and Pro Flex

Optimised for Avery Dennisons Supreme PPF Range

The PPF Squeegee Pro series is available in two convenient sizes. The large squeegee is 100mm wide and is suitable for most applications. The small squeegee is 65mm wide and is suitable for tight detailed spaces. The squeegees are also available in a rigid construction (Blue) or a flexible construction (Red) depending on your customers personal preference.

When applying Paint Protection Film the correct squeegee type is critical for a perfect result. Our new Avery Dennison PPF Squeegee Pro Series has been designed in collaboration with installation experts and refined to deliver optimal surface contact. This enables installers to achieve the correct install pressure resulting in the best possible finish and enhanced vehicle protection.

100mm (W) x 75mm (H)

65mm (W) x 75mm (H)
