

Avery Dennison PPF Ultima

Advanced paint protection,
for work & play

PPF Ultima: advanced paint protection film designed to take your vehicle's defense to the next level

This cutting-edge film offers outstanding protection against everyday damage, for exceptional value. With self-healing properties, minor scratches from stone chips become a thing of the past, and its hydrophobic nature ensures water beads off effortlessly, maintaining a sleek, glossy appearance. The ease of installation is a standout feature, making it a hassle-free solution for your paint protection needs.

Reliable Warranty

Designed and tested for our harsh environment, PPF Ultima features a 7 year (Zone 2) limited warranty, for your peace of mind.

Stain Resistant

Advanced hydrophobic stain resistance enables easier cleaning and greater protection from environmental contaminants such as road grime, insect strikes, bird droppings and general fallout.

Clear High-Gloss Finish

Keep your vehicle's paint looking factory fresh with the hydrophobic self-healing high gloss finish of PPF Ultima.

Faster easier installation

All Avery Dennison PPF products are designed in consultation with Industry experts, ensuring the right balance of conformability and adhesive tack, giving you faster easier installation the first time.

Self-Healing Properties

Bid farewell to swirl marks and minor scratches, that vanish with exposure to ambient heat.
