SP 3500 Series

More Impact. More Sustainable.

**Sustainable
Prints.**

Pioneering PVC-Free films

Tailor your approach with the SP 3500 Opaque Matte Series – versatile, high-quality digital print films. Perfect for mid-term promotional graphics, these films are simple to convert and easy to apply, while helping end users reduce their environmental impact.

Sustainable Prints, Effortless Removal

Introducing the SP 3522 Opaque Matte, a standout addition to our sustainable Print portfolio. PVC-free and designed with environmental considerations, this innovative film features a removable adhesive ideal for temporary installations, transit advertising, and dynamic promotional campaigns. It doesn't just deliver in terms of performance and versatility; it also leads the way in reducing greenhouse gas emissions, waste generation, and energy consumption.

Key features

- Sustainable, PVC-free films to minimise your environmental footprint.
- Engineered to deliver an optimal performance for durability of 3 years.
- Matte white films with grey adhesive for high opacity and eye-catching visuals.
- Easy to convert, saving time and improving productivity.
- Accommodating UV and Latex print technologies, the SP 3500 Series ensures crisp, vibrant images with every print.
- The attractive Matte finish eliminates glare, making these films a perfect choice for interior promotions
