

Spectrix™ Colour Paint Protection Film

Innovation you can see.
Armour you can trust.

Uncompromising protection, redefined aesthetics

Experience unmatched vehicle customization and protection with our advanced Spectrix™ Colour Paint Protection Films. Elevate your car's finish with our stunning new range of high-gloss colours, designed to transform and protect.

Preserve your original paintwork while enjoying a luxurious, head-turning new look tailored to your style.

Self-healing topcoat

Minor scratches and swirl marks effortlessly vanish when exposed to heat, maintaining a perfect finish.

Industry-leading colour warranty

Guaranteed long-term colour stability, resistance to UV degradation and excessive colour-shifting with up to a 4-year warranty period.

Advanced scratch resistance

Forms a durable barrier against stone chips, road debris, and everyday scuffs, safeguarding your paintwork.

Effortless wet alignment utilising Avery Dennison Application Solution Pro for pinpoint positional control

Guarantees a glass-smooth finish that flawlessly mimics high-end paint while securing total edge coverage.

Superior anti-staining

Actively repels contaminants such as bird droppings, tree sap, and road tar, ensuring your colour stays clean and vibrant.

Exceptional installability and flexibility

Spectrix™ allows full coverage of even the most complex shapes and curves with its advanced adhesive and flexibility systems allowing for precise alignment

Colours available

Gloss Rock Grey		
Gloss Light Blue
