

# ICS Warranty Program

The right choice for quality  
and confidence

No matter what your application, Avery Dennison gives you the confidence of knowing that our range of high performance products are backed by a warranty that you can trust.

## General Product Warranty

Our dedication to the quality performance of our products is our highest priority and this commitment ensures that every product we produce is designed, engineered, manufactured and tested with one goal in mind – your complete satisfaction. That's why all Avery Dennison products are covered by our general product warranty.

## ICS Warranty Program

Going one step further, the Avery Dennison ICS Warranty Program is our pledge to manufacture our products to a premium standard. Split into two robust levels; ICS Performance Guarantee and ICS Platinum Warranty, you can be certain that we provide the right cover whatever your project might be.

### ICS Performance Guarantee

The ICS Performance Guarantee combines our films with qualified components to form a system which is guaranteed to be compatible and provide outstanding performance. Granted to all customers working according to the relevant Avery Dennison Technical Bulletins, the ICS Performance Guarantee offers a range of choice and flexibility. You choose the application, production method, qualified printer, ink and application tape, coupled with our films – and we provide the warranty.

### ICS Platinum Warranty

The ICS Platinum Warranty provides ultimate peace of mind and security when dealing with comprehensive projects. This specialised warranty combines a certification process of specialist graphics manufacturers and installers to provide the highest level of quality and performance in finished graphics application. Customised to individual projects, the ICS Platinum Warranty is available by special request utilising our ICS Warranty Portal and is tailored to your specific needs, eliminating risk to the end user.
