Avery Dennison® Supreme Wrapping Film

Superior performance, fast and easy application and removability...
in your choice of colours and textures.

For a wrapping film that combines supreme performance and application speed, look no further than Avery Dennison® Supreme Wrapping Film. This dual-layer film combines colour, texture, and clear protective layers, providing a smooth, paint-like finish that's both durable and dazzling.

What's more, with a choice of 82 colours, Avery Dennison® Supreme Wrapping Film today offers an even broader palette of options than ever before. And ... our colour matching service brings you virtually any colour you like!

KEY FEATURES:

- > Outstanding durability and performance
- > Excellent conformability around curves and recesses
- > Provides coloured and/or textured film and protective layer in a one-piece laminate
- > Available with Avery Dennison® Easy Apply™ RS adhesive technology to provide repositionability and slideability, saving valuable installation time
- > Available in extra-wide 1.52M x 25M roll size
- > Excellent long-term removability

KEY BENEFITS:

- > Faster installation, higher-quality results, thanks to Avery Dennison® Easy Apply™ RS adhesive technology
- > Extensive colour range with 82 colour options
- > Colour matching service to match virtually any colour you like within a few days – minimum order quantity 10 rolls
- > Cover large panels with just one piece of material – fewer seams

RECOMMENDED USES:

- > Personalise and refresh your car's appearance with a cool new fashion look and/or texture
- > Brand your company's fleet with your company colour
- > Improve the life and resale value of your vehicle by protecting the original paintwork
