

# Avery Dennison® 800 Premium Cast™ Colour Card

## Avery Dennison® 800 Premium Cast™

(EN)

The Avery Dennison 800 Premium Cast portfolio is a unique medium-to-long life sign-cut range for both indoor and outdoor applications. It makes installation easier, with excellent dimensional stability over corrugations, simple/compound-curved substrates and rivets.

Improved adhesive performance and face-film stability allow for fast and accurate application of finished lettering and graphics to curved and corrugated surfaces. A wide selection of 85 standard gloss, matt and metallic colours is designed to suit most projects.

(DE)

Das Avery Dennison 800 Premium Cast Portfolio bietet eine einzigartige Auswahl an mittel- bis langfristig verwendbaren Schneidefolien zur Verklebung im Innen- und Außenbereich. Die Produkte können einfach aufgebracht werden und bieten eine hervorragende Dimensionsstabilität über Nieten und in Sicken sowie auf konvexen und konkav verlaufenden Wölbungen.

Die optimierten Klebstoffeigenschaften und eine hohe Stabilität des Obermaterials ermöglichen die leichte und präzise Verklebung von Schriften und Grafiken auf Wölbungen und in Sicken.

Die große Auswahl von 85 Standardfarben mit glänzenden, matten und Metallic-Oberflächen bietet alle Optionen für die meisten Projektvorhaben.

(FR)

Avery Dennison 800 Premium Cast est une gamme de films unique pour applications de moyenne à longue durée en intérieur et à l'extérieur. Ces films rendent l'installation plus facile et offrent une excellente stabilité dimensionnelle sur substrats ondulés, simples, composés ou courbés et rivets.

Les performances améliorées de l'adhésif et la stabilité du film frontal permettent une application rapide et précise de lettrages et éléments graphiques sur des surfaces courbées ou irrégulières.

Une gamme étendue de 85 couleurs standard avec des finitions mates brillantes et métallisées permettent de répondre à la grande majorité des projets.

(IT)

Il Avery Dennison 800 Premium Cast portfolio comprende una gamma per intaglio unica di medio-lunga durata per applicazioni da interni e da esterni. Con la sua eccellente stabilità dimensionale nelle corrugazioni, facilita l'installazione su superfici curve semplici/composte e rivetti.

Migliori prestazioni adesive e la stabilità del frontale consentono un'applicazione rapida e precisa di lettering e grafiche su superfici curve e corrugate. Una vasta scelta di 85 colori standard lucidi, opachi e metallizzati adatti per la maggior parte dei progetti.

(ES)

La gama Avery Dennison 800 Premium Cast es una gama de troquelados de media a larga duración para aplicaciones tanto de interior como de exterior. Facilita la instalación, aportando una excelente estabilidad sobre ondulaciones, superficies con curvas simples o complejas y remaches.

Su mejorado rendimiento adhesivo y la estabilidad del film frontal permiten una rápida y precisa aplicación de letras y gráficos sobre superficies curvas y onduladas. Se ha diseñado una amplia selección de 85 colores convencionales en brillo, mate y metalizado, aptos para la mayoría de los proyectos.

It also extends the application range thanks to the availability of the Hi-Tack adhesive for low energy substrates and of the Easy Apply™ technology for faster installation

- Excellent conformability and easy handling on curved and corrugated surfaces
- Optimal lay-flatness and stability during cutting and weeding
- Improved adhesive performance allowing to recuperate sign cut material when applied on vinyl
- Custom colour match service with a MOQ of only 5 rolls (250lm)

Dank der Verfügbarkeit des Hi-Tack-Klebstoffs für niederenergetische Untergründe und der Easy Apply™-Technologie für eine schnellere Installation, erweitert sich auch der Anwendungsbereich.

- Hervorragende Verformbarkeit und einfache Handhabung auf gewölbten und gewellten Oberflächen
- Ausgezeichnete Planlage und Stabilität während des Schneidens und Entgitterns
- Verbesserte Klebstoffeigenschaften ermöglichen leichteres Handling beim Plotten und Entgittern
- Spezieller Farbnachstellungsservice ab einer Mindestbestellmenge von 5 Rollen (250 lm)

La gamme d'application est également élargie grâce à la disponibilité de l'adhésif Hi-Tack pour les substrats à faible énergie de surface et de la technologie Easy Apply™ pour une application plus rapide.

- Grande conformabilité et utilisation facile sur les surfaces courbes et ondulées
- Planéité et stabilité optimales lors de la découpe et de l'échenillage
- Performances de l'adhésif améliorées permettant de récupérer le matériau de découpe lorsqu'il est appliqué sur du vinyle
- Service personnalisé de mise à la teinte avec un minimum d'achat de 5 rouleaux (250 lm)

Inoltre l'aggiunta alla serie di un adesivo Hi-Tack permette di estendere il campo di utilizzo verso superfici a bassa energia mentre la disponibilità della tecnologia Easy Apply™ permette un'installazione più rapida.

- Eccellente conformabilità e facilità di applicazione su superfici curve e corrugate
- Caratteristiche ottimali di planarità e stabilità durante taglio e ripulitura
- Migliori prestazioni adesive che consentono di rimuovere il materiale da intaglio quando applicato su pellicola
- Servizio di colour matching personalizzato con una quantità minima ordinabile (MOQ) di 5 bobine (250 lm)

También amplía la gama de aplicaciones gracias a la disponibilidad del adhesivo Hi-Tack para sustratos de baja energía y de la tecnología Easy Apply™ para una instalación más rápida.

- Excelente conformabilidad y fácil manejo sobre superficies curvas y onduladas
- Planicidad y estabilidad óptimas durante los procesos de corte y limpieza.
- Mejor rendimiento adhesivo, que permite recuperar material troquelado cuando se aplica sobre un vinilo
- Servicio de personalización del color con una cantidad de pedido mínimo de 5 rollos (250 metros)

\*Due to the use of a tie-coat, the adhesive side of the product appears white

Avery Dennison® has made every effort to match the colours in our 800 Premium Cast Film portfolio as close as possible to the RAL colour code equivalents. The table is designed to help you get a better idea of the colour similarities but we cannot guarantee an exact colour match. Colour cards and/or samples are available upon request.
