

Avery Dennison MPI™ 1104 EA PW

The next generation in our Digital Wrapping Film portfolio.

Built on our renowned print quality and exceptional conformability, MPI™ 1104 EA PW is a reliable solution for 3D applications and dynamic designs. With an all-new adhesive system, this film enhances repositionability, making installation faster, easier, and more efficient.

Available Sizes:
1.37 m width x 50 m length
1.52 m width x 50 m length

Main Benefits & Features

- **True 3D Conformability**
Perfect for creative and complex applications, MPI™ 1104 EA PW easily adapts to curved surfaces and tight contours, offering great flexibility.
- **Improved Repositionability & Slideability**
Designed for a smooth, hassle-free installation, this film offers great repositionability properties, allowing the film to move across the surface with ease. It is engineered to minimize effort, reducing the need for manpower while increasing installation speed.
- **Eye-Catching Print Quality**
Achieve vibrant, high-quality prints that bring designs to life. MPI™ 1104 EA PW's superior print compatibility ensures the artwork stands out, whether it is for personalization or large-scale graphics.
- **Long-Term Durability**
Engineered to withstand the test of time, this product offers long-lasting durability, reducing the need for frequent replacements and helping to save on costs.
- **Blockout Capability**
Ideal for light print designs and applications on darker surfaces, MPI™ 1104 EA PW offers the perfect blockout feature, ensuring sharp contrast and stunning results.
