

Avery Dennison SL 4580 Anti-Fingerprint

Less cleaning. More impact.

Avery Dennison SL 4580 Anti-Fingerprint Film delivers discreet yet highly effective protection for high-touch surfaces in interior spaces. With a clear, ultra-matte finish, this top-coated PET film resists fingerprints, stains, abrasion, even graffiti, while preserving the aesthetics of underlying materials, signs or printed graphics.

Designed for durability and ease of use, SL 4580 is compatible with a wide range of substrates and suitable for both printed and unprinted applications. It enhances the appearance and longevity of surfaces from kitchen cabinets and office walls to elevator panels and washroom areas, offering clean, refined functionality where it's needed most.

Key Features

- Ultra-matte, anti-fingerprint surface
- Top-coated PET construction
- Excellent resistance to stains, abrasion and graffiti
- PVC-free composition
- Easy application and removability
- 4-year interior warranty

Key Benefits

- Maintains a clean, elegant appearance in high-traffic areas
- Prolongs the life of interior graphics and surfaces
- Enhances user experience with a smooth, soft-touch feel
- Reduces maintenance effort and cleaning frequency
- Supports sustainable interior solutions with PVC-free materials

Recommended Uses

- High-touch surfaces in high-traffic interior environments such as lobbies, corridors, and shared facilities
- Wall panels and decorative surfaces in office, retail, and hospitality spaces
- Kitchen cabinets and furniture in residential or commercial interiors
- Elevator buttons, touchscreen frames, and control panels
- Coffee corners, shared workspaces, and bathroom areas
- Overlamine for printed graphics requiring anti-fingerprint protection
