

## SPF 1000 Surface Protection Film

SPF 1000 is a durable surface protection film to defend high impact areas on a vehicle from wear and tear. Add a layer of toughness against the rigors of the road with SPF 1000 surface protection film.

- Up to 3 year durability
- Provides surface protection with heat activated self-healing
- Dimensionally stable liner for easy converting
- Suitable for curved applications

## Vehicle Design Template Cutting Software

Avery Dennison Vehicle Design Template (VDT) Cutting Software coupled with our portfolio of paint protection films are an exact combination you can trust. This dynamic integration of self-healing and protection, with thousands of pre-cut templates, maximizes performance for an exact fit you can depend on.

- Intuitive and easy software installation
- Video previews to see how your cutter will perform
- Manually, hand-nested files that will save more material than automated nesting
- Wrapped and unwrapped edge kits
- Low-cost monthly subscription
