*See warranty document for full details

Features & Benefits

- **Optimal Appearance:** Newly designed topcoat creates a super-clear film with lower haze and optimal clarity
- **Universal and Multipurpose application:** Innovative product design supports interior or exterior application on glass or rigid plastic substrates
- **Superior performance:** New and improved hydrophobic topcoat results in superior ink repellency, keeping windows safe from graffiti spray, paint and pen
- **Easy installation:** Installing and removing the film is quick and easy thanks to our easy, clean-removal adhesive
