

Avery Dennison® SC900 RV EZ

Freedom of Expression and Ultimate Performance

Manufacturers in the recreational vehicle (RV) and motorhome sector understand the power of color and design in making an emotional connection with the consumer. That's why many manufacturers are pushing the boundaries of graphic applications with their design and installation partners. Avery Dennison's new SC900 RV with Easy Apply™ technology is formulated to exceed design and performance expectations.

SC900 vinyl films combined with our specially formulated RV adhesive, offer a superior product with excellent adhesion, even in low temperatures. Design possibilities are endless, as SC900 RV is available on the full color range of our SC900 films, plus a complete list of standard industry colors. Custom color matching is also available. Even better, SC900 RV with Easy Apply technology is a competitively priced alternative to similar products in the marketplace.

KEY FEATURES:

- Superior performance adhesive for excellent installation even in low temperatures (below 40°F)
 - Applies easily to painted metals and smooth fiberglass
- Easy Apply air egress technology
- Full range of SC900 film colors, plus:
 - White sparkle, white opaque, black, medium charcoal metallic, bright blue metallic, black metallic and champagne mist metallic, as well as custom color matching
- Convert by plotter, steel roller and other methods
- Competitive price point
- Excellent long term durability

KEY BENEFITS:

- Installation ease and speed
- Exceptionally durable and high performance adhesion
- No entrapped air bubbles for a smooth finish
- Excellent conformability around curves and rivets
- Initial repositionability before adhesion reaches full tack strength
- Ideal for screen printing
